**Allied Health Professionals are healthcare professionals who work within the multidisciplinary care team and may deliver direct patient care, rehabilitation, treatment, diagnostics and health improvement interventions. This category includes nurses, physiotherapists, and psychosocial professionals. It does not include physicians. Allied health professionals must provide a letter of confirmation from their immediate supervisor to benefit from the reduced fee. Should we not receive this confirmation, the registration will be changed to the Regular fee.

***Students must provide a letter of confirmation of their status from their institution to benefit from the reduced fee. Should we not receive this confirmation, the registration will be changed to the Regular fee.

****Patient advocates can only register if they are official representatives of their national haemophilia organisation or the European Haemophilia Consortium. A letter certifying this will be required at the time of registration.

*****Attendance to the Allied Health Professionals Day is open only to Allied Health Professionals (Nurses, Physiotherapists, Psychosocial professionals) and is to be booked in addition to the EAHAD 2023 Congress registration fee. It is possible to attend this pre-congress day as a stand-alone service.

Please note that access to the Satellite Symposia is governed by their respective companies' rules and regulations, over which EAHAD does not have control. Access restrictions to certain registrations categories may apply based on the companies' internal requirements.

Please contact the registration team regarding all the details for your complimentary staff and how to register additional participants.
