**Speakers and audience**

This symposium is for healthcare professionals attending the EAHAD congress only and is organised and sponsored by Octapharma. It has been approved in line with UK regulations for an international audience. Prescribing information may vary depending on local approval in each country. Before prescribing any product, always refer to local materials such as the prescribing information and/or the summary of product characteristics. This is a promotional symposium and products will be discussed.

\*as during the course of bleed management.
